•	In the modern church today, it's very easy to live an isolated existence. However, the example of the early church calls us to something much deeper than an individual faith. It calls us to be a family of devotion.

If you're in one already, re-commit this fall to your group.

THE CHURCH IS A FAMILY

A Family of Devotion Acts 2:36-47 Sunday, September 17, 2023 Miles Nelson, Executive Pastor

Growth Groups are the glue that holds our church together, the way we find and follow Jesus together. If you are not involved in a Growth Group, now is the perfect time to jump in at gracecentralcoast.org/groups

CONNECT (ask this question to check-in with your group)

Talk as a group how you can use Fall Kick-Off to worship together AND invite others to join you for the day.

DISCUSS (use some of these questions to process God's Word together)

1. Read Acts 2:36-47. How did God speak to you through His word this week?

2. What is one takeaway you have from the early church's devotion to each other?

3. Which of the 4 aspects is easiest for you? Which one is hardest?

4. Which of the 4 outcomes have you seen the most in your church life? If you're new to church, which one do you hope to see happen as you commit to a local church?

5. Talk as a group and choose one of the 4 actions to really hit hard this Fall. Maybe you need to spend more time studying God's word. Maybe more time in prayer. Maybe more generosity with one another. Discuss and decide together and then commit!
