CONNECT *(ask this question to check-in with your group)*

Share a praise and a grief from the Thanksgiving holiday last week.

DISCUSS *(use some of these questions to process God's Word together)*

1. How did you come under the Word this week? Does this sermon make you think about Thanksgiving differently?
2. Read Psalm 138 out loud. Do you think David wrote this in the middle of his various hardships? Either way, what does it realistically look like for someone to be thankful to God during hardships?

3. Why does it make a difference if we shift our focus from resting in our victory over difficulty to God's victory over difficulty?

4. Which of the five hardships can you relate to the most right now? Identify why God is worthy of praise in the midst of that.

5. Go back to last week's passage and read John 15:1-2. How does this picture inspire thankfulness?

PRAY *(use this prompt to pray in response to God's Word)*
