Our Declaration of Faith

The following is an abbreviated version of our full Grace SLO Declaration of Faith. We encourage you to review the full version at graceslo.org/About/WhatWeBelieve/

The Scripture

We believe the Bible is the inspired Word of God, the complete revelation of God's plan of salvation, and the divine and final authority for Christian practice and life.

The Triune God

We believe in one Holy and loving God, infinitely perfect and eternally existing in three persons: Father, Son and Holy Spirit, who know, love and glorify one another.

Humankind

We believe God created humankind in His own image. Humankind, tempted by Satan, rebelled against God and sinned. As a result, all human beings are alienated from God and corrupted in every aspect of their being, and are lost, blind and dead in sin and in desperate need of the saving grace of God.

The Gospel

We believe Jesus Christ is the Gospel. The Good News of God's sovereign, saving grace is revealed in His incarnation, sinless life, substitutionary death, and victorious bodily resurrection. The Gospel is central to our understanding, interpretation and application of all the Scriptures.

Salvation

We believe salvation is an act of God and is by grace alone, through faith alone, in Jesus Christ alone, for the glory of God alone. God, in His unfathomable grace, justifies sinners who repent of their sins and trust in the Gospel of Jesus Christ.

The Church

We believe God, by His Word and Spirit, creates the Church as He calls sinful humans out of the whole human race into the fellowship of His family. A believer's membership in the universal Church, the global body of Christ, is to express itself through consistent worship with, service in, commitment and accountability to a local church.

The Return of Jesus Christ

We believe in the visible, personal, glorious return of Jesus Christ, which will bring about the consummation of all things. Those who trust the Gospel of Jesus Christ will enter into joyous, everlasting life with God. Those who do not trust the Gospel will experience everlasting, conscious punishment in hell. We believe in the new heavens and the new earth, where Jesus Christ will reign forever.

Moving Toward Worship Together

What comes into our minds when we think about God is the most important thing about us . . . Worship is pure or base as the worshiper entertains high or low thoughts of God. For this reason the gravest question before the Church is always God Himself, and the most portentous fact about any man is not what he at a given time may say or do, but what he in his deep heart conceives God to be like. We tend by a secret law of the soul to move toward our mental image of God. This is true not only of the individual Christian, but of the company of Christians that composes the Church. Always the most revealing thing about the Church is her idea of God. – A. W. Tozer, The Knowledge Of The Holy
