

3. The King WE ALL NEED

THE LIFE OF DAVID

Give Us a King
1 Samuel 8
Sunday, October 7, 2018

To rightly understand the significance of the life of David, we have to gain some context. This week we will look back at God's promise for a King in Israel, the wrongful desire for a King in Israel, and the deep longing in every soul for the true and better King of kings.

1. The PROMISED King

2. The REJECTED King

Growth Groups are the primary way that we seek to fulfill the call to live out our collective life together as the body of Christ here at Grace Central Coast. When we live in community with one another, pursuing freedom from sin and fullness of good works, then we make our God known to one another and to the watching world. This is our call and our purpose, to proclaim His excellencies together.

Connecting and Caring for One Another

If this is your first Growth Group meeting of the year, take some time catching up with one another! Share some highs and lows and how God has been transforming you lately.

Digging into God's Word & the Message Together

1. Explain humanity's fascination with kings. Give some examples from your own life.
2. Why did God promise a King?
3. Why do we, like Israel, reject God as our King? What does that look like in your life? What *other* kings have you chosen?
4. How is Jesus the King we all need?

Praying Together

- Pray for God to give you eyes to see the *false* kings in your life.
- Pray for God to give you eyes to see the beauty of the true King in your life more and more.
- Share and pray for other needs.
